

Poster creation

PhD conference: PhD in Science of professions, 25 and 26 March, 2026

First year PhD candidates

- Are invited to submit an abstract and give an electronic poster presentation with a pitch talk at the PhD conference.
 - The pitch talk is based on a pre-prepared electronic poster.
 - The electronic poster is also the paper-poster you are welcome to hang up outside the conference auditorium.
 - Electronic posters or E-Posters are like traditional paper posters but displayed on-site on a large LED TV screen or a large auditorium LED screen.
 - **Electronic poster – first year candidates**
 - You can create your electronic poster in Windows Office's Power Point app.
 - You can find templates for posters at Teamsroom "FSH Nord universitet" og "FLU – Informasjon". Choose "Malvelger" or "Template".
1. Open the PowerPoint app on your computer.
 2. New presentation.
 3. Size: Select "Design" – "Slide size" and select "Widescreen" , or you can use "Custom made": Width: 33,867 cm, Height: 19,05 cm,
 4. Name your poster with your last name and save it on own PC

TIPS

- Join our digital Poster-workshop xxxxxx
- You can use Power Point templates at Teams Nord university.
- Not too much text.
- Written text must be able to be read from 1,5 meter.

Integrate QR codes that link to your own website, videos or other electronic elements
